Emil is very knowledgeable host: always service with a smile despite of changes in schedule. He resolves any kind of disparity- like our airplane was so delayed and we have excursions pending one on top of the other, no worries, problem solved and we have fun. There were 3 families in our group of 8 and Emil handled it very well. He was even able to accommodate 3 extra people in our evening walking tour in Barcelona, Spain. For sure, Emil is on top of our list when needing a guide, friend, and somebody you can trust.

This is our first time going to Spain and I can't say thank you enough for an awesome 4 day private tour experience we had using #bcnmtpoint and mainly with the founder (Emil), from the time i contacted him until the end of our tour. Emil was such a very nice person and very accommodating who personally drove us and provided a private tour throughout Barcelona and Madrid. It was definitely a vacation that we will never forget. We highly recommend using their service 200% and you will never regret. We will definitely use them again and give them 5 stars for excellent service. ★★★★★
